Road Improvements in Westwood

As part of the City of Cincinnati's investment in the neighborhood of Westwood, crews from Adleta Construction Co., Inc. are rehabilitating streets in Westwood starting June 29, 2007. The rehabilitation will continue through November and will consist of full depth repairs of the pavement, new asphalt, and repair of the curbs. The following traffic restrictions will be necessary.

LOCAL RESTRICTIONS:

- a) **PARKCREST LANE:** During all working hours, maintain alternating one way traffic utilizing flaggers with STOP/SLOW paddles to direct traffic. Before 9 AM, between 4 PM and 6 PM, and during all non-working hours the entire roadway shall be open and available to traffic.
- b) **MUDDY CREEK ROAD:** During all working hours, maintain alternating one way traffic utilizing flaggers with STOP/SLOW paddles to direct traffic. On weekdays, before 9 AM, between 4 PM and 6 PM, and during all non-working hours the entire roadway shall be open and available to traffic. In order to facilitate the movement of vehicular traffic moving into and out of Our Lady of Lourdes School during the school year, no work may be performed on this street weekdays prior to 8:15 AM. Similarly, no work may be performed on this street weekdays between 2 PM and 3 PM. These restrictions only apply during the school year, i.e., after August 22, 2007. No work may be performed on this street on July 27, 28, and 29, 2007, in order to avoid conflict with the Lourdes Summer Festival.
